

## Donate

Heartwood House: au coeur de la vie is a nonprofit organization, providing a home to a range of Ottawa-based charities. The market cost of rental space is prohibitive to these organizations, so the continuing viability of the Heartwood House community is dependent upon the generosity of the Ottawa community.

To make a convenient and secure donation via credit card, please take advantage of our partnership with CanadaHelps and donate online. You will receive a charitable receipt for tax purposes. If you would like to designate Heartwood House: au coeur de la vie for a United Way contribution, our registered charitable number is 879671618 RR 0001.

Cash is needed, but so are materials and time. The choice is yours, please give however you can! For a current version of our wish list, please contact Maureen Moloughney.
