

heARTwood Gallery

The heARTwood gallery supports the Heartwood House community by bringing artists together with our member groups. Artists gain access to much needed quality exhibition space, and they in return support and enhance Heartwood programs and the work environment. In addition to exhibiting their work in the Gallery, artists may find opportunities to partner with individual member groups, offering workshops or one-to-one art instruction. The ongoing collaboration between artists and the Heartwood House community demonstrates the benefits of art as an integral part of our daily lives.

The Gallery serves a dual purpose at Heartwood House. The room is popular as a meeting room for member organizations and outside groups. Therefore, the Gallery space is less suitable for installation work than it is for work to be displayed on the walls.

The hours for the public to visit the Gallery are:

Monday – Thursday, 4 – 6 p.m.; Friday, 3 – 5 p.m.
